IMPORTANT

Please complete the above information. Completed form and required documents (proforma invoice or similar plus the documents that prove conformity, such as detailed description of the goods with technical characteristics and properties, available test reports, quality management system certificates, marks of conformity, - e.g. CE declaration, technical data sheets, national approvals, franchise agreement or similar for supplying branded goods - as well as health, hygienic, phytosanitary, fumigation certificates as applicable) should be returned to CERTECH GLOBAL by email or by fax.

The party to which the certification is granted, hereafter referred to as the "client", can only make certification claims on goods covered under the scope of certification. In cases that copies of certification documents are provided by clients to others, these should be reproduced in its entirety. Furthermore, the client shall not use its certification in such a manner as to bring CERTECH GLOBAL into disrepute and shall not make any statement regarding its certification that CERTECH GLOBAL may consider misleading or unauthorized.

The client must comply and implement any changes in the certification requirements as detailed by CERTECH GLOBAL. Likewise, they must inform CERTECH GLOBAL should there be changes that may affect their ability to comply with the certification requirements.

In cases of complaints, the client makes all the necessary arrangements for the investigation. They shall keep a record of all customer complaints made known to them, take appropriate action and document the actions taken and make these records available to CERTECH GLOBAL when requested.

CERTECH GLOBAL Office is available to provide additional information about the Pre-shipment Verification of Conformity procedures for South Sudan. This order is accepted according to the Program requirements and subject to the applicable CERTECH GLOBAL General Certification Rules
